

SAHYADRI VIJNANA PARISHATH

To supplement the class room learning, several methods have been adopted by the college to provide an environment of the out-of-the class room mentoring. An important component in this connection is the **Sahyadri Vijnana Parishath**. It is a forum comprising mainly the elected student representatives, to which the principal is the president. Throughout the year, the unit organizes series of programmes related to student enrichment on curricular and co-curricular activities. This is one of the prominent platforms for students to exhibit their talents. In each programme eminent personalities are invited to motivate our students.
