### University (College) Emblem:

The emblem of the Institution is with the theme of “**Manujamatha** ( the religion of humanity), **Viswapatha** (the Universal path), **Sarvodaya** (the welfare of all), **Samanvaya** (reconciliation) and **Poornadrusti**( the integral vision)” derived from the message of humanism given by Rashtra Kavi Kuvempu.

Both the vision and the mission statement reflect the quality of education imparted in this College.

### Vision:

The vision of the College is to become a centre of excellence in teaching and promoting research. It shall spare no efforts to make the stakeholders capable of facing the global challenges. Inspired by the call made by Prof. C. N. R. Rao an alumni and former scientific advisor to Former Prime Minister of India that more and more youngster must engage themselves in science education, the teachers and the students of the College have responded positively to promote teaching and research in basic and applied science.

### Mission:

Sahyadri Science College is committed to:

- Foster Creativity in Teaching, Learning and Research of Basic and Applied Sciences to build A Knowledge base and promote quality initiatives.
- To make Science education attractive and accessible Develop Scientific knowledge to meet the societal needs.
- The mission of the College is to make science education attractive, accessible and develop scientific knowledge. In the present era of education, students are more inclined towards technical education and hence the need to promote basic / applied sciences is increasingly becoming apparent. Therefore, the College is striving to serve the society by providing wider base for continuing education in basic and applied sciences. It has also realized the importance of conserving bio-diversity and cultural diversity.
