INTERNAL QUALITY ASSURANCE CELL (IQAC)

The institute has an Internal Quality Assurance Cell (IQAC) which is driven by a competent team constituting Principal, Senior Professors, Alumni, Industry Experts, and also students. IQAC of the Institute makes concerted efforts in promoting academic excellence. Also, it strives towards quality enhancement through the internalization of quality culture and institutionalization of best practices.

Objectives of IQAC:

1. To act as a nodal agency of the Institution for coordinating quality-enhancement activities, including adoption and dissemination of best practices.
2. To develop and apply standards and benchmarks for various academic and administrative activities of the institution.
3. To ensure redressal of the interest of all stakeholders in higher education

Functions of IQAC:

1. To disseminate information on various quality parameters of higher education
2. To document various programmes/activities leading to quality improvement
3. To adopt the required knowledge and technology for participatory teaching and learning process
4. To facilitate the creation of a learner-centric environment conducive to quality education and faculty matureness
5. To arrange for feedback response from students, parents and other stakeholders on quality related institutional processes
6. To organize inter and intra institutional workshops, seminars on quality related themes and promote quality enhancement on walks of life
7. To develop and maintain institutional database through MIS for the purpose of maintaining /enhancing the institutional quality
8. To document Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC

Academic Monitoring Committee (AMC)

AMC is a centralized (Institute level) committee responsible for regulating and implementing different academic activities in Sahyadri science college, Shivamogga. It is meant for smooth and uniform conduction of academics throughout the Institute. AMC is headed by the academic head along with department coordinators. All co-ordinators are included in the monitoring process. Class teachers and Teacher Guardians (Mentors) are pillars of AMC.

Main Functions of the AMC:

1. The progress of the coverage of the Syllabus of each class.
2. The overall attendance of the student of each class
3. Result analysis at the end of each semester.
4. Ensuring the adherence to the dates mentioned in the academic calendar for conducting various activities by each department.
5. The monitoring of the students of each class.
6. Compliance with previous meeting remarks.

Rules and Responsibilities:

1. The AMC thoroughly works on designing the educational process.
2. It continuously reviews and monitors the process keeping in view of emerging needs and expectations of the industry.
3. The AMC along with the strength of the faculty member continuously works on updating and restructuring the innovative skill sets for promoting academic excellence.
4. To do departmental faculty-academic pre-preparation and generate Verification reports.
5. To maintain the departmental academic files.
6. To prepare a departmental academic calendar
