Its a good college and faculties are good

1. Should be in a more interaction with students. 2. Should talk the classes regularly.

No suggestions are required.. Teachers of sahyadri Science collage are excellent..

Excellent

Usually good

Improving

Everything is fine and good

All teachers and learning is good

All the existing practices are good and are satisfactory. But there is always room for improvement since technology is develpoing each day, which might upgrade the overall teaching - learning experience in our institution.

Interaction between students and teachers should be more

Nothing suggestion for institute...we will say kepp it.. Its good

They have to take classes regularly and accurate time they have to inform the students in group they will engage the class or not . while teaching they have to use projector or LCD screens to students to learn better in my view

We have less computers to work that is only one thing should be provided . Our college teachers teach as well

Very satisfied....👍

Best college, teachers teaching style easy understand and good communication with students.

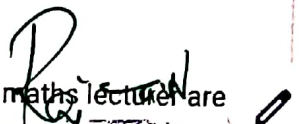

Should use ppt communicate with students provide reference abd notes

ತರಗತಿಗಳು ನಡೆಯುತ್ತಿವೆ ಹಾಗೂ ಮುಂದಿನ ದಿನಗಳಲ್ಲಿ ಇನ್ನೂ ಹೆಚ್ಚು ಅವಕಾಶ ಕಲ್ಪಿಸಬೇಕಾಗಿದೆ

Usually smart class with projector is better to understand the concepts and some time teachers while teaching they are moving fastly to next topic because of they don't have time ,

Good teaching lecturer, convey the concept very neatly, they explain the concepts with good examples

Every one doing thier best but we need more information from lecturer.The maths lecturer are too good 👍 they almost complete thier syllabus.
