 3. In case of any discrepancy please inform the Competent Authority

Whereas

2. First Party- SSC is a Autonomous and constituent college under Kuvempu University located at Shivamogga and is involved in teaching, research and also recognized as research center. 1st party was on lookout for collaboration with KSHEMA, and approached Second party - KSHEMA for the same. Second Party having agreed to the same, and, after mutual discussions both parties have agreed to enter into this MoU by defining the objectives, the extent and the limits of the relationship. The terms and conditions of this MoU are as follows.
3. KSHEMA will help SSC with their proposed research endeavours with a condition that the study project will be initiated only after the approval of the Institutional Ethics Committee of K.S.Hegde Medical Academy. The study will be conducted by the designated students, staff only after they are trained to handle ethical issues and aware of the hospital rules.
4. KSHEMA will provide a working place for the designated student in their laboratory with permission to use the existing facility. The expenses related to the same will be borne by the actual Principal Investigator involved in the research work from their research grants from both the sides. The financial arrangement relating each such project agreement and programs of cooperations shall be in accordance with the specific agreement and programs of cooperations covering all areas in each project.
5. Both the institutions agree to seek financial support for the collaborative research programs from appropriate funding agencies (DST SERB, DBT, UGC, ICMR, BRNS) as equal or partially collaborators in the field of translation and investigative molecular biology after a detailed intellectual input from both the parties. When the applied grants are sanctioned and to be initiated, both the institutes will appropriately share the resources and manpower and take equal responsibility to take the study ahead as per the guidelines received by the funding agency.
6. Information on research results and specific materials (reports, article and books) related to joint study will be exchanged freely keeping in mind the mutually agreed provision of Intellectual Property Rights. All intellectual property solely conceived and or developed by SSC during the course of this agreement shall be owned by the SSC. All intellectual property solely conceived and or developed by KSHEMA during the course of this agreement shall be owned by KSHEMA. The SSC and KSHEMA agree to collaborate towards the protection, if appropriate and application of such intellectual property for commercial or other purpose on mutual acceptable terms to be negotiated in good faith between the parties.
7. Research publications, if any out of collaborative research work shall be in the name of the investigators from both the parties with prior mutual consent of both the parties. When the authors have contributed equally, the 1st and corresponding authorship will be shared in accordance to the guidelines specified by committee on publications ethics (COPE). Publication will be suitably acknowledged that work has been carried out jointly under aegis of corresponding funding agencies.

Memorandum of Understanding between

**K.L.E. Society's S.K. Arts College and H.S.K. Science Institute, Vidyanagar, Hubballi,
Karnatak University Dharwad, Karnataka**
and

Sahyadri Science College, Kuvempu University, Shivamogga

This Memorandum of Understanding is entered between **K.L.E. Society's S.K. Arts College and H.S.K. Science Institute, Hubballi**, Karnataka hereinafter referred to as **INSTITUTE** and **Sahyadri Science College, Kuvempu University, Shivamogga**, Karnataka, hereinafter referred to as **COLLEGE**.

SAHYADRI SCIENCE COLLEGE
(Constituent College of Kuvempu University)
SHIMOGA, Karnataka State.

INSTITUTE and *COLLEGE* have decided to agree to establish institutions collaboration in areas of mutual interest and in accordance with terms and conditions set forth in this memorandum of understanding, hereinafter referred to as *MOU*.

INSTITUTE and *COLLEGE* can appoint a person each to coordinate the activities and strengthen the relationship mutually.

TERMS OF INTERACTIONS:

The areas of cooperation may include, subject to mutual consent, any desirable and feasible activity that would further the goals of each institution. Such interaction may include cooperation in a variety of joint academic and educational activities such as:

- Faculty and student exchanges based on reciprocity;
- Joint conferences and workshops;
- Team taught courses, including online courses; and
- Visits by faculty, professional staff, and students.
- Cooperation in academic and research programs

The parties anticipate that a number of these initiatives will occur during the period of this MOU. However, neither party is obligated to agree to any minimum number of activities, nor is this MOU intended to preclude either party from entering into similar agreements with other institutions.

TERMS AND CONDITIONS

- (1) This MOU shall enter into force on the date of signing.
- (3) This MOU will be valid for five years and may be continued after suitable review and agreement.
- (4) The termination of this MOU shall not affect the completion of any projects and programs in progress and not completed at the time of termination.

This memorandum of understanding is prepared in two identical copies; each party will hold one original duly signed.
