## Soft Skills: 2023-24

| SL NO. | DATE       | FACILITATOR                                                                                                     | TOPIC                                            | OBJECTIVES                                                                                          | REPORT                                                                                                                                                                                                                                                                                                                                                                                                                          |
|--------|------------|-----------------------------------------------------------------------------------------------------------------|--------------------------------------------------|-----------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 01     | 27/07/2024 | Dr. Giridhar K V,<br>Associate<br>Professor, Sahyadri<br>Commerce and<br>Management<br>College,<br>Shivamogga.. | Critical<br>Thinking v/s<br>Creative<br>Thinking | To emphasizing<br>the importance<br>of practical<br>knowledge over<br>theoretical<br>understanding. | He illustrated this by showing related videos to depict the scenarios. Following this, he engaged the volunteers in interactive discussions by posing various situational problems and made them to answer through critical analysis. Through a series of challenging questions; he assessed the creative and critical thinking abilities of the volunteers. Further, he gave the tips to improve the memory and concentration. |
